

DEMETRIOS

## *Goddess Dreamer*

The Goddess Dreamer collection epitomizes everything it means to be daring, modern and divine. The sublime line would have provoked envy from the likes of Aphrodite and Athena. The dresses radiate a sense of soft glam combined with an undeniable chic, yet sexy sophistication. Voluptuous gowns, light-weight shapes, sultry necklines and open backs are just some of the fabulous collection features -- it is this attention to the infamous Demetrios details that sews these dreams together.

A woman with long dark hair and a smile stands in a courtyard, wearing a strapless, floor-length white lace wedding dress with a long train. She has her arms crossed. The background features a building with white columns and a wooden door. The ground is a light-colored stone or concrete path.
