NEW YORK OreaSposa

SOHO SKY

The new collection from Oreasposa juxtaposes a refined simplicity with classical bridal aesthetics. Contemporary and cool trends such as scoop and halter necklines plus minimal styling and silhouettes are featured throughout this line. The designs also embody a more traditional and decorative tone with tattooed laces, ruched waist finishing, detailed sleeve embroidery and intricate backs. The Soho Sky Collection is the perfect interpretation of what it means to be a classic bride in today's world.
